

THE TUBER FOUNDATION

Helping kids take their first swing.

Dear Local Business Owner and Community Supporter,

We are reaching out to invite you to help the Tuber Foundation put golf clubs into the hands of children who might otherwise be unable to afford them.

Inspired by Tucker “Tuber” Velasquez’s love for golf, our mission is simple: collect donated golf clubs, prepare starter sets for kids, and give them the opportunity to start swinging, have fun, and fall in love with the game.

Through Empower Golf Performance in Clayton, we are working to give donated clubs a new purpose. Preparing those clubs takes supplies, including replacement grips, grip tape, solvent, and other club repair and fitting materials. These items help us turn donated equipment into usable starter sets that we can provide to children at no cost.

We are asking local businesses, organizations, and individuals to consider a financial contribution or a donation of supplies to support this effort. Contributions of any size will help us prepare more clubs and reach more children. We also welcome donations of golf clubs and bags that can be used in future starter sets.

For a child, having a set of clubs can open the door to more than a sport. Golf offers opportunities to build friendships, practice patience, learn honesty and respect, and gain confidence through small accomplishments.

Our goal is to make that first opportunity possible. Your support can help turn a club sitting unused in someone’s garage into a child’s first great golf memory.

To contribute, donate equipment or supplies, or learn more, please contact Coach Brian Velasquez at 706-391-7877 or visit us at Empower Golf Performance, 291 N Main St, Clayton, GA.

Donate online: GoFundMe — gofund.me/5ee00bf82

Thank you for considering being part of this adventure and helping us welcome more children to the game.

With appreciation,

Tucker “Tuber” Velasquez
