

THE TUBER FOUNDATION

Welcome to Your New Set of Clubs!

Dear Golfer,

Welcome to the Tuber Foundation family!

We are excited to welcome you to the Tuber Foundation family with your new set of golf clubs! These clubs are yours to enjoy as you learn, practice, and discover the fun of golf. We are glad to be part of your journey at Empower Golf Performance.

The Tuber Foundation began with a simple idea: help more kids get golf clubs in their hands so they can start swinging, have fun, and fall in love with the game. These clubs are yours, and we hope they become part of many great memories - your first solid shot, your first round, and the friendships you make along the way.

You do not have to be a great golfer to get started. Every golfer begins by learning, trying, and sometimes missing. Even the best players hit bad shots! What matters is that you keep learning, treat others with kindness, and enjoy the experience.

As you begin, remember a few things:

- **Have fun.** There is always something new to discover.
- **Be patient with yourself.** Progress takes practice.
- **Respect the game.** Take care of your clubs, the course, and the people around you.
- **Celebrate the small wins.** One good shot can be the start of something special.

We are glad you are here, and we cannot wait to hear about your golf adventures.

Your new set of clubs. Your own journey. So many possibilities.

Welcome to the game!
